Summer your SAT's (PSAT's) with Montgomery County Community College's well-regarded test prep program, known for its superior test prep faculty and impressive student score gains. Learn to take each test section confidently and aggressively, using proven strategies and elimination techniques. Practice on all levels of math, verbal and grammar questions and on the essay. Review the actual material required for the SAT. Using retired SAT's(PSAT's), review all topics commonly included on the SAT (PSAT), all question types, pacing and test taking to produce your own "best score."

-----Registration Form-----

Please use pen and please print clearly. The course is most suitable for rising eleventh and twelfth graders, but will accommodate rising tenth graders. Checks and money orders are to be made payable to Masterman Home and School Association. Thank you.
